We will also send you a “document letter” which will explain the pertinent details. Booking and/or sending deposit constitutes understanding and acceptance of all terms and conditions of the applicable cruise line and Cruise Trek. Cruise Trek is not responsible for any inaccuracies by third party web sites and/or written or posted comments by third parties.

**THIS A PRIVATE PARTY AND CRUISETREK ID BADGES MUST BE WORN TO ATTEND ANY AND ALL EVENTS.**

## **HOW TO BOOK: SELECT PLAN I, II or III**

Cabin prices vary by the category, location and type of accommodations you select. There are outside cabins with a window. Then there are outside cabins with French Balconies only. Then there are outside cabins with a French Balcony and an outside balcony/verandah. All of these have showers only. Only the Suites have bathtubs and of course with French Balcony and outside balcony as well. The French Balcony cabins have sliding floor to ceiling doors that allow for full views and fresh air. The cabins with the outside balcony as well have a sitting area too.

**(I) TWO PERSONS SHARING SAME CABIN:** Double occupancy means two passengers share one cabin.

**(II) TREK SHARE (TS) FARES:** This plan is for Trek passengers who are sailing on Cruise Trek by themselves and wish to share a cabin. Specify the TS category of your choice. **Be sure to check the box that says Trek Share.** You will be matched with members of the same sex. Trek Share cabin assignments will be done at the time of issuance only and are subject to change. Trek fans that smoke are not to do so in the cabin unless roommates permit it. We will try to match you with fans of similar age whenever possible. Most fans are understanding and cooperative. TS fares are not applicable for children. **Trek Shares are on a request basis only.**

**(III) SINGLE OCCUPANCY:** This is for those of you who wish to occupy a cabin alone. Pricing is 150% of the applicable pp fare for all Cabins except for the Special & Suite categories, they are 200%. Singles are allowed and very limited in supply.

**Physically Challenged Cabins:** This type of ship and the country of where it is registered are **not** governed by the US government’s ADA. More so, while there is an elevator, it does not extend to the upper most viewing deck nor the lowest passenger cabin level. Sorry, there are **no** specially-equipped cabins for the physically challenged.

**PORT CHARGES, TAXES & GRATUITIES:** Port charges and taxes are additional. They are \$168 per person. Gratuities are paid on board by the individual passenger and amount to approximately 12 Euros per day per person. These amounts are subject to change.

**PAYMENT INFORMATION:** There is a foreign booking charge of \$50 per foreign residence or APO address (\$30 per Canadian residence). Payments may be made by check, money order, or major credit card—Visa, Master Card, and American Express. Checks are to be made payable to Cruise Trek, in US dollars only, and drawn on a US bank. Sorry, no exceptions. There is a \$50 charge for returned checks. Any fees or charges related to check or wire payments will be charged back to your invoice. **PERSONAL PAYMENT PLAN:** For your convenience, we will be offering a payment plan with no service charge. To calculate your payments, simply deduct your deposit from your total amount due, and then divide the balance by the number of months remaining before the full payment date. The payment plan is flexible. For instance, you may either double or triple up on payments or skip a few months. Or you may devise your own plan. If you would like to take advantage of our “Auto Pay Plan” simply fill out the payment coupons (they will be sent with your original invoice) and return them to the Cruise Trek office with the plan of your choice. We will process these each month. All pricing is in US Dollars. FULL AND FINAL PAYMENT IS DUE June 1, 2018. You can still book after these dates—but pricing may be increased and/or availability may be very limited if not sold out. Pricing is subject to change prior to receipt of deposit only.

**CANCELLATIONS, REFUNDS, INSURANCE, OTHER DISCLAIMERS AND CHANGES:** After Booking - If you should cancel your reservation a \$400 cancel fee applies. From November 1, 2017 to final payment date a \$650 cancellation fee applies. After June 1, 2018 - there are no refunds after full payment due date. If you book the cruise line’s pre or post tours/hotels and have to cancel – additional cancel fees will apply to those packages. **Special & Suite deposits are non-refundable.** Also, after the full payment due date, all invoices will be subject to a charge of at least \$100 or more per person for any changes. To protect against cancellation penalties, Trip & Cancellation Interruption Insurance is available and strongly recommended. **As a requirement of the Cruise Trek Program, the signed Insurance waiver (which will accompany your invoice) is due in the Cruise Trek office upon receipt of your invoice and no later than the full payment due date.** Travel documents will not be released and your booking is subject to cancellation unless we receive this waiver. Cruise Trek reserves the right to change CT event schedules, programs and structure and claims no responsibility to cruise line changes or conditions. Cruise Trek reserves the right and at its sole discretion to refuse service and/or entry to the events to anyone who is not suitable, safe or in line with our mission to provide a positive, family, friendly environment while boldly exploring new cultures and different parts of our world. Cruise Trek will also refuse service to those who are not agreeable to the structure, terms and conditions either implied or stated as they benefit the mission and the “whole.” In sending your deposit you then agree to all terms, conditions and structures of Cruise Trek

**IDENTIFICATION REQUIREMENTS:** Passports are required. Please make sure that your passport is valid for at least 6 months after completion of your cruise or trip. All travel documents, such as passports, visas, proof of citizenship, etc., required for embarkation and debarkation at the ports of call and reentry into your country of residence, are the responsibility of the passenger. Your proof of citizenship must be presented prior to boarding the ship. You may be denied boarding without proper identification and cancellation fees applied.

**Pre & Post cruise options & shore excursions:** A post hotel tour program is available from the cruise line and Cruise Trek can reserve same for you. Cruise Trek can also arrange for different hotels and sometimes at lower cost, which CT can help and/or direct you as well. Most shore excursions are included in the cruise fare. Most are walking tours and/or bus tours. Other optional shore excursions may be available on board with a charge.

**AIRFARE:** We can offer some direction for airfare. However, online travel sites such as Travelocity.com, Expedia.com, or Travelzoo.com are excellent resources. Though if you have a good air agent—they are invaluable—ask him or her to check consolidator fares. Please do not hesitate to call the Cruise Trek office for more clarification on airfares - if needed. However, please know CT does not ticket airfare – we can only help direct you.

**HOPE YOU CAN BE A PART OF THE FAMILY, ADVENTURE, DISCOVERY and FUN!!**

**Cruise must be booked through the Cruise Trek (CT) offices to attend events and CT ID badges must be worn at all events.**
