

“MEDITERRANEAN MAGIC”

MAY 21 – 28, 2000

SCHEDULE OF TREK EVENTS

Welcome aboard Cruise Trek 2000!! It is great that you could join us on our first adventure to Europe for “Mediterranean Magic.” Because this cruise has a very port intensive itinerary, we will have a limited number of Trek events – so we sure hope you can join us for “late nights” for dancing and/or karaoke.

To keep up all the goings-on during this cruise, we ask that you please read the ship’s Daily Program for ship’s activities, i.e. passenger talent show, entertainment, movie times, sailing schedule, and dining times. The Dealers Room schedule and Trek activities and times are subject to change, so be sure to check the bulletin board everyday, located at the **CT Hospitality Desk on Upper Promenade Deck** (near the library). While we will do all we can to adhere to this schedule, we appreciate your patience and understanding should a change occur.

As you will see, we have planned a variety of events in an effort to have something for everyone. For those of you “Type A” personalities, between the ship’s activities, your adventures ashore and our Trek activities, you can be busy 24 hours a day, traveling at Warp Speed all the way. And for you “B Types,” that is, those of you who wish to do things at a more relaxing, leisurely pace, be our guest! The choice is yours.

Our sincerest thanks goes to the Cruise Trek volunteer staff. These are actually passengers who have paid for their passage and have volunteered to help out on board. Like you, they’re here to have a fun and enjoyable vacation, too. The ship’s photographers will be out and about, snapping lots of pictures of you that will be available for purchase in the Photo Gallery. The ship is arranging for a special Cruise Trek photo section in the Photo Gallery. Photos will be billed to your shipboard account.

We are very fortunate, indeed, to be in Europe at this time. There are truly some amazing events happening during our cruise. Among them, the Catholic Jubilee, being celebrated in all its glory in the eternal city, Rome; and the countdown to the world famous Grand Prix auto race in Monte Carlo. While the actual race does not take place until the weekend, you will be able to preview all the elaborate behind-the-scenes preparations throughout the streets of Monte Carlo.

We have made sure that every passenger has received a packet of autographed photos. Therefore, as a friendly reminder, we ask you to refrain from asking the actors for autographs. We want the actors to feel at home and as comfortable as possible. They’re on board to have fun, too. And, they are a lot more fun to be around when they can relax and enjoy their surroundings.

Attention Holland America and Windstar Alumni (Past Passengers): Be sure to fill out the Past Passenger questionnaire that will be delivered to your cabin so that you will be invited to the Mariners cocktail party. Again, Welcome Aboard!

We hope your Cruise Trek Vacation Adventure will provide you with warm memories that you will cherish always. Enjoy!
